**FIFTH AVENUE SENIOR CENTRE
SALMON ARM**

A resident of British Columbia all her life, Jaclyn has found a constant source of inspiration in her surroundings. Always keen to explore and experience the world around her, she is often found immersed in nature, keeping an eye out for the subtle story waiting to be unlocked.

Her passion for photography has been a lifelong affair, and her mission is to encourage her audience to become more conscious and ruminative about our impact on the natural world. She has sought to create imagery to share her deep respect and awe for the outdoors, with the hope that it will inspire people to reconnect with nature
