KELLY FUNK WORKSHOPS FOR 2011

Kelly has an interesting line-up of workshops including a few that will be catering to the advanced shooters, to go along with the others that are more geared to novice-intermediates. Here is the link: <http://naturalwondersphotography.wordpress.com/2010/12/13/2011-kamloops-and-area-workshops/> or phone 250.377.4054

PORTRAIT PROJECT IN THE NEWS

The article is in Dec 20 Kamloops Daily News. Section B – Generations. David J. reports "It reads not too bad, they focused more on the fishing habits and past of the resident in the image than the shoot, but that's OK." CONGRATULATIONS to all involved in this project. Your enthusiasm and expertise is much appreciated. From ...

TRAVEL ESSAYS – PART I I

December 15th is KPAC's last meeting of 2010. The program will be a continuation of the popular Travel Photo Essay night held Nov. 24th. There'll then be a three-week break in programs with January 5th, a Selection Night for CAPA's 'Altered Reality' competition, being the first of the new year. Members are reminded to submit their entries ...

THE YEAR IN REVIEW

KPAC members – here’s a reminder that we’d like to see 10 of your favourite images (shown randomly with the others) at the Christmas Pot-Luck Saturday, Dec. 11th. Put ‘2010 Images’ in the subject line and send to the Receiver of Images in the usual 1024 pixel maximum width by 768 maximum height. Check with Jaime ...

TRAVELOGUE NIGHT (NOV. 24)

Title: Travelogue Night (Nov 24) Location: Henry Grube Ed. Center Description: Show your fellow club members where you went this summer. Submit up to 15 photos of your recent travels or a 5 minute slideshow. Be prepared to share any interesting details about the location. We should be able to fill the evening and possibly have a ...

The Demi-Marathon is where you challenge yourself to make six images, in six hours, of six themes that show originality, technical ability and creativity. This event is all about fun for club members. Come out and challenge yourself ...

F8 AND BE THERE

At the street photography Showcase, I used the expression “F8 and be there.” The quote is attributed to the famed New York photogapher nick-named Weegee. It is meant to say getting the shot is more important than the technical details. F8 because often that is the best combination of depth of field and sharpness to ...
